How to Enroll:

Parents will enjoy the convenience of enrolling their children online at www.discoverchampions.com. However, we still encourage parents to visit the Champions Program on site during normal program hours to meet our staff.

Please Note: There is a 48 hour (2 day) processing period from the time a parent completes the enrollment process online and their child can begin attending the Champions Extended Learning Program. This brief window of time allows our management team to receive the enrollment, review for accuracy and create the child's file with the required DCFS documentation *prior* to the child's first day of attendance.

Champions does except third party subsidy for its tuition through the state of Illinois. *Upon your approval from the state.
